The Association of Educational Sciences, our international association of academics and researchers organizes the

12th International Conference on Theory and Practice in Education

**on 15-17 December 2020,
in Budapest, Hungary (Online)**

Our mission is to sustain professional discourse: we are dedicated to connect scholars and professionals worldwide in the field of education in order to facilitate international academic cooperation.

We welcome presentations related to **EDUCATION**, on a wide range of fields, such as teacher training, didactics, curriculum development, teaching methods and styles, art education, language education, sport education, health education, museum pedagogy, educational technology, ethics in education, early childhood education, elementary education, secondary education, special education, and other education-related themes.

The languages of the conference are English, German

Review criteria

CODE:

Evaluation criteria on a scale from zero to five (0-5) (if there is a difference of at least ten points between two reviewers, a third must be requested):		Reviewer
1.	A clear definition of the aims of the abstract	
2.	Theoretical and / or practical significance	
3.	Methodological basis	
4.	Structure, internal logic	
5.	Coherence of text, linguistic formality	
6.	Overall quality and scientific originality	
	Total score	0
Textual evaluation, suggestions, advices (to any extent):		

This conference uses a two-round evaluation process:

1. Two independent experts evaluate the abstract anonymously. An applicant whose abstract has received at least 60% of the max. scores (i.e. an average of 20 points out of a possible 30) will be sent to Scientific Committee of this conference.
2. The members of Scientific Committee will see all the abstracts at once, and after control they will decide which application can be accepted.
